## HEAVY DUTY PARTS CATALOGUE

## CUMMINS 3090942 PUMP

Our components for Cummins 3090942 pumps are engineered to provide exceptional fuel delivery and reliability. ELKOSO offers high-quality, tailored solutions that ensure your heavy equipment operates efficiently under the toughest conditions, maximizing performance and minimizing downtime.

## CATERPILLAR C7 HEUI

Our precision-engineered components are perfectly suited for Caterpillar C7 / C9 HEUI engines, ensuring optimal performance, durability, and reliability in demanding applications. Trust Elkoso for superior quality and dependable solutions tailored to your heavy-duty needs.

## NOZZLES FOR CUMMINS M11 INJECTORS

Name	Description
• Nozzle 4307525	• 4307516
• Nozzle 438438384	• 4384360
• Nozzle 4903322	• 4903319
• Nozzle 4903475	• 4903472
• Nozzle 4902924	• 4902921
• Nozzle 4061854	• 4061581
• Nozzle 4026225	• 4066222
• Nozzle 4307779	• 4307776
• Nozzle 3095729	• 3411754
• Nozzle 3609925	• 3411756
• Nozzle 3076071	• 3652542
• Nozzle 3084592	• 3411752
• Nozzle 3095043	• 3411753
• Nozzle 3095734	• 3411755
• Nozzle 3411388	• 3411767

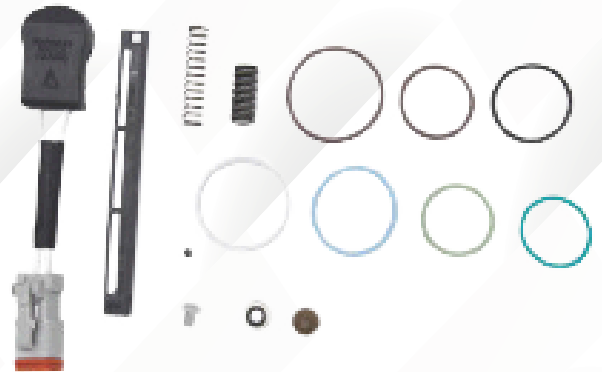

## CUMMINS M11 / N14 HEUI

Our components for Cummins M11 / N14 HEUI engines are designed to deliver robust performance and unmatched reliability. Elkoso provides customized, high-quality solutions to ensure your heavy-duty equipment operates at its best in the most demanding environments.

**CUMMINS M11 REPAIR KIT**

**CUMMINS M11 REPAIR KIT  
(NO PLUG)**

**CUMMINS M11 REPAIR KIT  
(O-RING ONLY)**

## CUMMINS D13/XPI HEUI

Our components for D13/XPI HEUI injectors are engineered for optimal fuel delivery and efficiency. ELKOSO provides innovative, high-quality solutions to ensure your engines perform reliably under the most demanding operational conditions, maximizing both power and fuel economy

**CUMMINS CONTROL  
VALVE REPAIR KIT**

**CUMMINS NOZZLE REPAIR  
KIT**

**CUMMINS ISX REPAIR KIT**

## CUMMINS QSK60

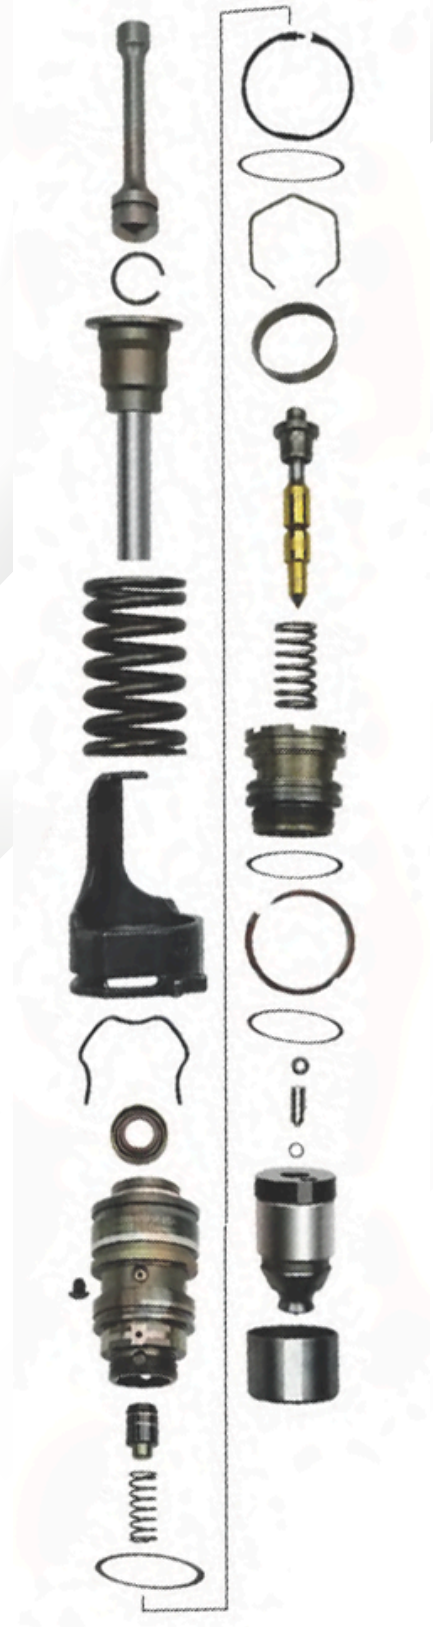

Our components for Cummins QSK60 engines are engineered to handle the toughest industrial applications. ELKOSO offers high-performance solutions that deliver the reliability and longevity your equipment needs in harsh and demanding work conditions.

## CUMMINS X15

Our components for Cummins X15 engines are designed for maximum efficiency and longevity. Elkoso provides cutting-edge, high-quality solutions to ensure your heavy-duty vehicles perform optimally while minimizing fuel consumption and emissions.

# Delphi

## DELPHI E1

Our components for Delphi E1 injectors are crafted to ensure precision in fuel injection and enhance fuel efficiency. ELKOSO offers tailor-made, high-quality solutions that help optimize your diesel engines for smooth performance, even in the most challenging conditions.

# Delphi

## **DELPHI E3**

Designed for high-pressure systems, our Delphi E3 injector components provide superior control over fuel combustion and maximize engine performance. ELKOSO delivers advanced, reliable solutions to ensure your equipment operates at peak efficiency in all industrial and commercial applications.
